

ITCA Vendor eWIC Readiness Webinar

Inter Tribal Council of Arizona, Inc. (ITCA) Special Supplemental Nutrition Program for Women, Infants and Children (WIC) began planning for an electronic WIC benefits (eWIC) based system in January 2015. The ITCA WIC Program will be transitioning its paper based benefits system to eWIC in 2017-18.

The ITCA WIC Program will be hosting a webinar to provide information about how electronic benefits work, differences between paper based checks and eWIC, and the benefits of switching to eWIC. The webinar serves as an informational tool to help prepare Vendors for the coming changes. The webinar will be held live on April 23, 2015 at 2:00 pm. The webinar will also be recorded for those who are not able to attend.
