

ITCA WIC ALERT

Volume 12, Issue 1

December 2012

Enfamil ProSobee

ITCA has received several complaints about stores not having Enfamil ProSobee in stock. This WIC Alert is a reminder that all ITCA WIC authorized vendors must carry 9 cans of Enfamil ProSobee (12.9 ounce powder) in stock at all times per the Minimum Stock Requirements in your Vendor Contract. Failure to maintain minimum stock and variety of all WIC foods at any time throughout the contract period may result in termination of the Vendor Contract. You may refer to your Vendor Manual and Vendor Contract for the Minimum Stock Requirements or you may find this information available on our website at: www.itcaonline.com/wic.
