In addition, this course will put an emphasis on the community emergency response team roles and functions. The training will cover isolating the area, denying entry, and identifying the hazards of a release without the use of personal protection equipment and minimizing the danger to others.

**Target Audience:** Tribal Police, Forest Service, Highway/Transportation Workers, Public Works, Tribal Rangers, EMTs, Community Members, Environmental Personnel, and other personnel that respond to emergencies on Tribal lands.

The training is sponsored by the Inter Tribal Council of Arizona, Inc. (ITCA) Environmental Quality Programs. A Hazardous Materials Emergency Preparedness (HMEP) grant enables us to provide the EPCRA training at no cost to participants.
