

**ITCA WIC ENROLLMENT VENDOR PRICE/STOCK SURVEY
FY 2016-2018
INSTRUCTIONS**

Complete all sections of pages 1 through 11, documenting the price and quantity of each WIC food item currently on the shelf or in inventory housed at your store location. If a space is left blank, the WIC program will assume that your store does not have that particular food item. **Do not estimate or project prices or stock.** The enrollment Vendor Price/Stock Survey must reflect actual shelf prices and actual stock on hand at the time of completion.

1. On pages 2 through 8, answer all yes and no questions and list the highest actual shelf price for each WIC food item in stock. Fill in the price for the exact size listed. **NOTE:** you must carry both milk and soy based iron fortified infant formula. Low iron formula may not be counted in the quantity listed.
2. After completing pages 2 through 8, sign below to certify the accuracy of this report.
3. If you would like a copy of this survey, please copy before you submit the survey to ITCA.

CERTIFICATION

I certify that:

- i. I am authorized to act on behalf of the Vendor.
- ii. I have verified that the required amounts of WIC inventory described on pages 2 through 8 are either on the shelves or in an inventory housed at the Vendor's store location.
- iii. I have verified the prices listed on pages 2 through 8, are true and correct.
