## PROTECTING OUR LAND AIEA YOUTH SUMMER CAMP

During the 2016 AIEA Youth Conference, two workshop sessions were held with tribal youth throughout Arizona that focused on student needs for successful tribal engagement. Based on feedback we received, AIEA has created a four day summer camp to discuss Tribal Sovereignty, Tribal Governance and Land Stewardship for high school youth. The goal of this camp is **for tribal students to understand environmental stewardship as a sovereign responsibility.**

The mission of the Arizona Indian Education Association is to develop educational strategies and activities consistent with Arizona's academic standards and to provide research and resources to Arizona schools for their American Indian students to achieve academic excellence through culturally responsive education.

**July 27-30, 2017**

**James 4-H Camp  
Mingus Valley, Prescott**

**\$75 per student  
scholarships available**
