WIC Staff:

BREASTPUMPS (Check one: w/client or w/o client)	J/i/-	Comments
<ul style="list-style-type: none"> Staff demonstrates how to put together and use the manual, single electric and multi-user electric breastpumps. 		
<ul style="list-style-type: none"> When should each of the pumps be issued? Manual: Part-time work or school, occasional short-term separations or for flat or inverted nipples. Single User: Back to work/school and milk supply already established Multi-User: Premies or other medical conditions, establish/re-establish milk supply 		
<ul style="list-style-type: none"> Staff demonstrates the proper procedure for issuing pumps: manual, single electric and multi-user electric. (How do you issue a pump?) Document in STARS and providing education. 		
<ul style="list-style-type: none"> What is the procedure when a client returns a multi-user electric pump? (Cleaning and logging in system) 		
<ul style="list-style-type: none"> How often should a client pump? (Give examples: a new born preemie, a mom back to work with a 6 month old) 		
<ul style="list-style-type: none"> Provided some ways that a woman can pump more? (Pumping in the morning, pump before feeding, pump during a feeding) 		
<ul style="list-style-type: none"> Are all 3 demonstrator pumps available? (No score) 		
BREASTFEEDING EDUCATION (W/O CLIENT)		
<ul style="list-style-type: none"> When should a breastfeeding assessment be completed? 		
<ul style="list-style-type: none"> What information do you provide a woman who is pregnant? 		
<ul style="list-style-type: none"> What do you say to a client who wants to introduce formula? 		
<ul style="list-style-type: none"> What do you say to a client with a newborn who is combo feeding? 		
<ul style="list-style-type: none"> What do you say to a client who is still breastfeeding past 1 year? 		
<ul style="list-style-type: none"> When are breastfeeding incentives given to the client? 		
<ul style="list-style-type: none"> What do you say to a woman who states she does not have enough breastmilk?
