WIC & SEBTC Vendor Alert

Volume 22, Issue 4

APL DOWNLOAD REQUIRED

New Subcategories and Formula Added to APL

In response to the Abbott infant formula recall, the ITCA WIC Program has added new subcategories and formula to the ITCA WIC Approved Product List (APL). The ITCA WIC Program is continuing to temporarily allow alternative formula types to be purchased. See Vendor Alert dated February 18, 2022, for more details and the full list of alternative formula brands and types that are eligible for purchase with WIC benefits.

APL DOWNLOAD REQUIRED

The Category and Subcategories below are active.

The UPC's are effective April 19, 2022.

Note: This is not an inclusive list of all the subcategories and UPCs in Category 21, this list only reflects the recently added subcategories and UPCs.

Category	Subcategory	Formula Description	UPC

	223- Enfamil A.R. powder 27.4 oz	Enfamil A.R. PWD 27.4 oz	300875126424
	236- Similac 360 Total Care Sensitive RTF (8oz - 6pk)	Similac 360 TC Sens RTF	070074681597

The Abbott formula recall has put a strain on the availability of the standard formula issued to WIC clients. We understand the impact this recall has had on retailers who are doing their best to ensure formula is available in their community. The ITCA WIC Program thanks you for your continued hard work during the Abbott formula recall.
