

ITCA WIC Vendor Alert FY 2026

Volume 25, Issue 3

7/31/2026

Annual Training Newsletter and Updated Food List

We are sending you an Annual Training Newsletter

- We're sending you a Vendor Training Newsletter for this year's required training.
- We will mail it in late August, and we'll send you a reminder before it goes out.

You must accept the Training Newsletter for it to count as your training for the year.

- If your Training Newsletter is returned to ITCA, we'll contact you to make sure we have the right address, then we will mail it to you again.
- If returned a second time, you'll need to pick them up from the ITCA office in Phoenix, AZ.
- The deadline to receive or pick up the newsletter(s) is September 30, 2026.
- If your store doesn't get the newsletters by September 30, 2026, you'll be required to attend a WIC Vendor Training session over Zoom.

Changes to WIC Food List effective October 1, 2026

- We're updating the WIC approved foods beginning October 1, 2026. You'll find the list of changes in the Annual Training Newsletter.
- Make sure your POS system regularly downloads the latest APL, so WIC shoppers can buy the new foods.

Please note: The *digital* Food List on the WIC Shopper App and the ITCA website will be updated to show these changes. The *printed* Food List will not show these updates. The *printed* Food List will be updated the next time it is printed.
