

Staffing and Supervision 7: When To Yield

When peer counselors identify any of the following problems or situations, they must immediately consult their WIC designated breastfeeding expert (such as the local agency breastfeeding coordinator, local agency WIC coordinator, or International Board Certified Lactation Consultant [IBCLC]) to discuss the best plan for supporting the mother and infant, including the referrals that are appropriate. The peer counselor will continue to provide support while the designated expert or health care provider (HCP) is addressing the issue, unless the supervisor or peer determines that it is best to discontinue peer support.
