Bryan

pages as 95-96, 101-106.

The sentence now reads:

Thus, any factor affecting the adults' ability to acquire food can influence productivity and adult survivorship (Newton 1979, pp. 95-96, 101 – 106).

Both electronic master versions on S drive have been changed to reflect this edit. the new versions are dated 8-2
