Subject Bald eagle outreach

Doug,

This is just a heads up. I spoke to Clair Margraff today (she's back in the office) and it seems that her group is of the understanding that it is our responsibility to edit the outreach materials. Based on our earlier discussion I indicated that I did not believe that to be so. I guess it's the RO's responsibility?

Anyway, sounded like she and Chris T. were going to try to track either you or Bryan down over at MIB today to discuss.

I'll be talking to the RO shortly,
Maricela
