Subject Fw: Arizona Republic Specieal on Arizona Rivers

Listing decisions in AZ typically include water issues and the subsequent fallout. Whether its water law, water use, etc., this is a fairly digestible format on some of the issues in the state. Thought those in NM and D.C. may enjoy this series.

Subject Arizona Republic Specieal on Arizona Rivers

Sunday, the Arizona Republic began a 7-day series on the rivers of Arizona (Shaun McKinnon). The approach is to look at the values of rivers. Also posting an extensive photo slideshow each day.

<http://www.azcentral.com/specials/special06/>

Themes:

Sunday - Introduction to Rivers Pushed to the Brink  
Monday - Verde River & groundwater withdrawal  
Tuesday - Little Colorado River & river ecology  
Wednesday - Gila River & industry effects/damage  
Thursday - Santa Cruz & community identity/connections  
Friday - Bill Williams River & nature as refuge/recreation  
Saturday - San Pedro River & wildlife
