- Indian Health Service
 - Importance of Coverage – Medicare and Indian Health Services

Who: The 30 Hour Initial Training is offered to volunteers & paraprofessionals who work in Tribal communities to serve elders and those with disabilities.

Why: SHIP Counselors will be able to assist elders, caregivers and people with disabilities by offering benefits assistance and cost savings information, that could potentially help pay for medical costs & daily living expenses. In addition, benefits such as Medicare and Medicaid contribute to Indian Health Services revenue, leading to expanded services.

To register, complete the attached registration form and return by Friday, January 24, 2020. ***Individuals who plan to become State certified volunteer are subject to take an online test that must be passed with a score of 80% or better and complete the full 30 Hour initial training.***
