<https://www.nsopw.gov/>

NSOPW is a public resource that searches the public sex offender registries from all 50 states, the District of Columbia, the five principal U.S. territories and federally recognized Indian tribes.

The screenshot shows the NSOPW website interface. At the top, there is a navigation bar with the following links: HOME, SEARCH, SAFETY AND EDUCATION, ABOUT NSOPW, FAQS, and ABOUT DRU. The page title is "DRU SJODIN NATIONAL SEX OFFENDER PUBLIC WEBSITE". A red banner at the top of the main content area states: "The following jurisdictions are offline: Utah, Vermont, Washington, Wyoming". The main content area is divided into two columns. The left column is titled "SEARCH NSOPW" and contains the text: "Search sex offender registries for all 50 states, The District of Columbia, U.S. Territories, and Indian Country." Below this text is a red button labeled "Advanced Search". The right column is titled "SEARCH BY NAME" and "SEARCH BY LOCATION". The "SEARCH BY NAME" section has two input fields: "First Name*" and "Last Name*", and a red button labeled "Name Search". The "SEARCH BY LOCATION" section has three input fields: "Address*", "City/Town*", and a dropdown menu currently set to "Alabama" with a red error icon. Below these is another dropdown menu set to "1 Mile" and a red button labeled "Location Search". The background of the main content area is a map of the United States.

Community Notification FAQ Characteristics

Welcome to the Arizona Sex Offender Information page. This page provides information to the public concerning the location of sex offenders in Arizona. This page is NOT intended to supersede the community notification, but rather, it allows the criminal justice community to promote public awareness concerning the potential threat that sex offenders pose to Arizona citizens. An informed public is a safer public!

Realizing that it is impossible to notify every citizen about a sex offender's presence in their community, this site will empower you to obtain information and take the appropriate precautions. Supplying the public with information regarding convicted sex offenders is a critical step towards encouraging the public to protect themselves from potential future acts.

In accordance with [A.R.S. 13-3827](#), the Arizona Department of Public Safety is responsible for maintaining the internet sex offender website and verifying the name, address and photograph of each sex offender in Arizona on a daily basis.
