

Advancing Health Equity for LGBTQIA+ and Birthing Persons: A Decolonized Approach

FREE Online Training Session

January 15, 2025 | 9:00am - 10:30am MST/PHX

Objectives

- Identify health disparities across identities within Tribal communities, including LGBTQIA+ Tribal members
- Describe how barriers and facilitators to care can change based on holding multiple marginalized identities
- Describe how medical mis/distrust impacts LGBTQIA+ Tribal members
- Understand the importance of decolonizing language, beliefs, and approaches when working with LGBTQIA+ birthing parents
