#### **6.2.3 QUALITATIVE REVIEW AND SCORING**

Evaluators will score all proposals that pass the review of mandatory requirements. All requirements of the MANAGEMENT (Exhibit C), and COST PROPOSAL SPECIFICATIONS (Exhibit D) are scored. The evaluators will consider how well each proposal meets the needs of ITCA. It is important that the proposal be clear and complete, so the evaluators may understand all aspects of the proposal.

### 6.3 SCORING

An evaluation committee of representatives from ITCA (ITCA review team) will judge the merits of proposals received in accordance with the evaluation factors defined in the RFP. Failure of the bidder to provide any information requested in the RFP may result in disqualification of the proposal and shall be the responsibility of the bidder. The evaluation process will include a structured review of each section of the response the ITCA review team. The distribution of points for each proposal section is provided in the table below.

**Table 4. Preliminary Request for Proposal (RFP) Scoring Requirements**

<b>Preliminary RFP Score Requirements/Criteria</b>	<b>Percent/ Points</b>
Contractor's approach to project management and meeting requirements	45%/ 45
Contractor's qualifications	25%/ 25
Contractor's submitted dollar amount (bid price) to meet requirements	30%/ 30
<b>Maximum Score Total Possible</b>	<b>100%/ 100</b>

#### 6.3.1 ITCA REVIEW TEAM PROPOSAL POINTS

Total points from the Contractor's approach to project management and meeting requirements and Contractor's qualifications for each reviewer will be averaged and to result in the scores for each of these sections.

#### 6.3.2 COST POINTS

The score for the Cost Proposal is computed by dividing the lowest total cost by the amount bid in the Bidder's Cost Proposal and multiplying that percentage against the total points available for this section, rounded to the nearest tenth of a point.

Example: Total possible points for cost are 30.

Bidder A's cost is \$20,000.

Bidder B's cost is \$25,000.

Bidder A would receive 30 points,

Bidder B would receive 24 points ( $\$20,000/\$25,000 = 80\% \times 30 \text{ points} = 24$ )

## Equation 1. Request for Proposal (RFP) Cost Points

$$\frac{\text{Lowest Responsive Offer Total Cost}}{\text{Bidder's Cost}} \times \text{Number of Available Points} = \text{Award Points}$$

### 6.3.3 FINAL SCORE

The FINAL Score is the sum of the average, the average and the Cost Points.

### 6.4 ACTION ON EQUIVALENT SCORES

If two or more proposals receive equivalent scores, ITCA may, at its sole discretion, select as apparently successful the Bidder whose proposal is in ITCA's best interest. Equivalent scores are scores separated by three (3.0) or fewer points.

ITCA's best interest will be defined by ITCA managers and communicated to Bidders with equivalent scores in writing.

### 6.5 SELECTION OF THE APPARENTLY SUCCESSFUL BIDDER

ITCA will compile the scores. The Bidder with the highest **Final Score** will be named the Apparently Successful Bidder, unless scores equivalent to the highest score are received by one or more Bidders. In that case, ITCA may select the Apparently Successful Bidder in the manner stated above.

### 6.6 NOTICE OF AWARD AND CONTRACT SIGNATURE

ITCA will notify all Bidders who submit a proposal of the selection of the Apparently Successful Bidder.

### 6.7 DEBRIEFING OF UNSUCCESSFUL BIDDERS

Upon request, a debriefing conference will be scheduled with an unsuccessful bidder. The RFP Coordinator must receive the request for a debriefing conference within three (3) business days after the Notification of Unsuccessful Bidder letter is faxed/e-mailed to the Bidder. The debriefing must be held within three (3) business days of the request.

Discussion will be limited to a critique of the requesting Bidder's proposal. Comparisons between proposals or evaluations of the other proposals will not be allowed. Debriefing conferences may be conducted in person or on the telephone and will be scheduled for a maximum of one hour.

## 7 PROTEST PROCEDURES

1. Protests may be made only by Bidders who submitted a response to this solicitation document and who have participated in a debriefing conference. Upon completing the debriefing conference, the Bidder is allowed three (3) business days to file a protest of the acquisition with the RFP/RFP Coordinator. Protests must be received by the RFP/RFP Coordinator no later than 4:30 PM, local time, in Phoenix, Arizona on the third business day following the debriefing. ITCA shall not accept any protest before the announcement of the Apparently Successful Bidder.

2. ITCA shall consider only those protests concerning a matter of bias, discrimination or conflict of interest, material errors in tabulation, or material failure to follow procedures stated in the RFP or agency policy. Failure to cite the basis of the protest will result in rejection of the protest.
3. Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) An evaluator's professional judgment on the quality of a proposal, or 2) ITCA's assessment of its own or other agencies needs or requirements.
4. Any protests must be written, signed by the protesting Bidder or an authorized representative, and mailed or hand delivered. Telegrams, facsimiles or similar transmittals will not be considered. The protest must state the RFP or RFP number, the grounds for the protest with specific facts and complete statements of the action(s) being protested and any other supporting information on which the protesting party is relying. Address a protest to:

Verna Monenerkit, Office Manager  
Inter Tribal Council of Arizona, Inc.  
2214 N. Central Ave.  
Phoenix, AZ 85004  
[verna.monenerkit@itcaonline.com](mailto:verna.monenerkit@itcaonline.com)

5. Upon receipt of a valid formal protest, ITCA will conduct a protest review. The purpose of the review is to assure policy and procedures were followed, all requirements were met and all Bidders were treated equally and fairly. The protest review **will not** contain a review of bids or scores assigned. A written decision regarding the protest will be issued by ITCA.
