

The Inter Tribal Council of Arizona, Inc. is pleased to offer

## **ICS-400 COURSE**

# **ADVANCED INCIDENT COMMAND SYSTEMS FOR COMPLEX INCIDENTS**

**OCTOBER 23-24, 2025**

**Navajo Tribal Utility Authority | Malcom Dalton  
Conference Room | Indian Rte 12, Fort Defiance, AZ**

*hosted by the Fort Defiance Indian Hospital Board | Free of charge*

ICS-400 builds upon the foundational knowledge from ICS-100 through ICS-300 and focuses on advanced incident management skills, Large-scale organizational development, and roles and relationships of command and general staff. ICS-400 also addresses planning, operational, logistical, and fiscal considerations.

*ICS-300 is a prerequisite for this course*

*All participants will receive a course completion  
from the Inter Tribal Council of Arizona*

**INSTRUCTOR**  
Gil Damiani

**To receive a certificate from AZ DEMA see the information below:**

These will be certificate only classes, any attendee wishing to get DEMA issued G400 certificates must register through Acadis. ([dematraining.az.gov](https://dematraining.az.gov))

Completion of ICS-300 is a prerequisite. Only individuals enrolled (with prerequisite documentation submitted IS700, IS800, IS100, IS200 certificates from FEMA) approved through Acadis will receive credit and completion certificates from DEMA. If someone who audits the class happens to change their mind later and requests a certificate, DEMA will not be able to issue a certificate to them.
