

Inter Tribal Council of Arizona, Inc.

Environmental Quality Programs

Spring 2026 Internship Application

Executive Summary

The Inter Tribal Council of Arizona, Inc. (ITCA) is a non-profit organization that promotes American Indian self-reliance through public policy development and provides Member Tribes with the means for action on matters that affect them collectively and individually. The highest elected officials from each of the twenty-one Member Tribes serve on the ITCA Council. These leaders have a comprehensive view of the conditions and needs of the Tribal communities they represent.

Under the mission of ITCA, ITCA strives to build the capacity of its' Member Tribes through resource development, policy analysis and development, information resources and strategic dissemination, and training and technical assistance.

Internship Description

The ITCA's Environmental Quality Programs (ITCA EQP) Internship aims to develop a cadre of student leaders to pursue environmental quality and climate change-related professions upon completing their undergraduate/graduate training program.

Intern activities may include, but are not limited to:

- Participation in workshops and research focused on Federal Indian Policy and Environmental Policy.
- Assisting ITCA's Pesticide Program, Tribal Air Quality, Solid Waste Management, and Tribal Water Systems staff.
- Participation in workshops focused on recent changes in climate change laws and policies, and its impact to Tribes.
- Grant writing, researching methods for identifying grant opportunities, and the submittal process.
- Exposure to non-profit organization operations, activities, and administrative duties.

Eligibility

- Applicants must meet the following qualifications:
- Must be residing and living in the state of Arizona, able to commute to ITCA and/or other local areas
 - Junior or higher-level student (or recent grad) working toward a degree in Environmental Studies, or similar field.
 - Proficiency in Microsoft Office products
 - Clear oral communication skills
 - Excellent writing abilities
 - Requires a valid driver's license, a copy of current auto insurance, and individual must submit to a background check.
 - Must submit transcripts (official or unofficial)
 - Must be legally authorized to work a paid internship in the United States

Internship Details

- The internship will last 8 weeks at a minimum of 7.5 hours per week, totaling 60 hours of internship experience.
- The 8 week internship will occur within the tentative time frame of February 18, 2026 to April 15, 2026.
- The internship will be conducted remotely and in-person, as needed. There may be the option for in-person days, but not on a weekly basis (conditions apply).
- Interns will meet with the ITCA Environmental Quality Program staff once a week, and meet with the Executive team once a week.
- This is a paid internship, with an anticipated pay rate of \$22/hr.
