help after hours. Has field experience."*

NATIONAL TRIBAL WATER SYSTEMS OPERATOR CERTIFICATION PROGRAM
TRAINING EVENT BROCHURE

WATER TREATMENT - LEVELS 2 & 3
OPERATOR CERTIFICATION TRAINING COURSE (Event ID #26005-blended)
Parts 1 & 2

PART 1, live On-Line
June 15 - 18, 2026
Monday through Thursday

AND

PART 2, In-Person
June 22 - 26, 2026
Billings, Montana

THE TRAINING COURSE:

The Inter Tribal Council of Arizona, Inc. (ITCA) is pleased to offer the **Water Treatment - Levels 2 & 3** training course. The course offers over 48 hours of training and is designed to enhance the skills and knowledge of personnel that operate and maintain Level 2 or Level 3 Tribal drinking water treatment facilities. Subjects covered in this training course will include: Basic Microbiology and Chemistry; the Safe Drinking Water Act; Water sources and treatment options; Groundwater, wells, and water quality; Surface water treatment; Treatment plant pretreatment; Coagulation and flocculation; Sedimentation and clarifiers; Filtration; Disinfection and dosing formulas; Iron and manganese; Fluoridation; Water quality testing; Corrosion Control; Lime softening; Specialized treatment; Electrical systems; Pumps and motors; Instrumentation and controls; Worker safety; Administration, records, and reporting; and Math for water treatment processes. This course is intense and requires participants to study outside the classroom. Training reference materials will be mailed to registrants that are accepted into this course.

ITCA does NOT “teach to the certification exams.” Students intending to take operator certification exams during this training course are encouraged to study the need-to-know criteria and recommended study guide references associated with the certification exams. Optional certification exams will be offered for free during the second part of this training course. Attendees that are only interested in the training may choose not to take the certification exams.

INSTRUCTOR:

ITCA has contracted with subject-matter expert Michael Alvidrez, of Alvidrez Water Operations LLC., to instruct this training course. Michael Alvidrez has extensive experience working in Indian Country and in the operation and maintenance of water treatment facilities.

LOCATION:

Part 2 of the training course will take place at the Billings Hotel and Convention Center, which is located at 1223 Mallowney Ln, Billings, MT 59101. The contact phone number of the Billings Hotel and Convention Center is (406) 248-7151.

The Inter Tribal Council of Arizona, Inc. is an equal opportunity provider and employer.

COST:

Personnel of Tribal water utilities may attend this training course for **free**.

BLENDED LEARNING FORMAT:

This training course covers a comprehensive curriculum that is provided in two sequential parts.

(Part 1 uses a live on-line virtual format) and (Part 2 uses an in-person classroom format).

The in-person Part 2 picks up where the virtual Part 1 ends. The in-person Part 2 will not review curriculum content covered during the virtual Part 1.

DATES & TIMES:

The training and certification event will follow the tentative schedule shown in the table below. A course syllabus with full agenda will be provided to individuals that are accepted into the course.

<u>PART 1: Live On-Line Class Sessions</u>			
Class Session 1	Class Session 2	Class Session 3	Class Session 4
Monday, June 15, 2026	Tuesday, June 16, 2026	Wednesday, June 17, 2026	Thursday, June 18, 2026
8:00 a.m. – 12:00 p.m. Pacific Daylight Time			

Computer Microphone & Camera. Part 1 of this course requires that students use a computer **microphone** (headset is preferred) and a **web camera** to enable interaction and participation in group activities. It is important to have these items for the start of class. ITCA offers both a headset and web camera for free to registrants that are accepted into this course. During registration, please specify if any of these items are needed.

	Lunch Break (on your own)	12:00 p.m.	1:00 p.m.
	Operator Certification Exam Session B	1:00 p.m.	5:00 p.m. or earlier

Plans are underway for a potential tour of the nearby Billings water treatment facility during the in-person Part 2 of the training course. Students that wish to participate in the optional tour will be required to wear appropriate clothing (e.g., closed walking shoes and sun protection) and sign a waiver of liability form.

The following two (2) certification exam sessions will take place during the in-person Part 2 of the training event for those interested in earning the Water Treatment-Level 2 or Water Treatment-Level 3 Operator Certification through the ITCA National Tribal Water & Wastewater Operator Certification Program. *Please be advised that prior approval from ITCA is required for admission into the exam sessions. There will be no late admission into the exam session.*

- Exam Session A—On Tuesday, June 23, 2026, starting promptly at 2:00 p.m. and concluding at or before 5:00 p.m., the Federal Regulations Exam Module for Drinking Water Treatment Operator Certification will be administered to eligible personnel of Tribal water utilities. This will be an open-book exam using only content approved by ITCA.
- Exam Session B—On Friday, June 26, 2026, starting promptly at 1:00 p.m. and concluding at or before 5:00 p.m., the Standardized ABC/WPI Exams (2019 edition) for Water Treatment – Level 2 and Water Treatment – Level 3 operator certification will be available for administering to interested and eligible personnel of Tribal water utilities. This will be a closed-book exam.

ATTENDANCE & CONTACT HOURS:

Attendees that complete the course requirements will receive written recognition of earned training contact hours based on class participation, homework assignments, and attendance. Training contact hours may be accepted towards the training requirements for new certification or as Professional Development Hour (PDH) / continuing education credit towards the renewal of existing certification. Confirmed registrants that are interested in only earning training contact hours may attend as many of the class sessions as needed.

REGISTRATION: Course Registration Deadline is June 8, 2026

To register, click on this event's active link on the ITCA National Tribal Water Systems (TWS) Program webpage (<http://www.itcaonline.com/tws>) to visit the on-line registration platform or manually complete and return the attached registration form. Registration for this event is scheduled to close at the end of the day on **June 8, 2026**. Registration is subject to close before this deadline if all class seats are reserved. Registrants that are accepted into the training course will receive written confirmation of a reserved seat. Please Note: a reserved seat does not apply to the exam sessions. Separate written approval is required to be admitted into the certification exam sessions (see Exam & Certification section below).

ITCA PROGRAM OBJECTIVE:

The National Tribal Water and Wastewater Operator Certification Program at ITCA serves to meet the needs of system operators working on Tribal lands and to provide a jurisdictionally correct alternative to state certification programs. The ITCA is a U.S. EPA-approved provider of certification services under the U.S. EPA Tribal Drinking Water Operator Certification Program Guidelines and makes its services available to personnel of Tribal water and wastewater utilities in Indian Country. ITCA-issued certification in drinking water or wastewater is deemed equivalent and accepted through reciprocity (exam waiver) by numerous states. Tribal operator certification is an additional way by which Tribal governments can exercise their sovereignty and promote their self-determination goals.

EXAMINATION & CERTIFICATION: Exam Application Deadline is June 23, 2026

Water utilities personnel operating facilities / systems located on federal trust Tribal lands (Indian reservations) may apply for ITCA operator certification and take the operator certification exams for free. ITCA staff will be available during the in-person Part 2 of the training event to proctor paper-booklet certification exams (both the Federal Regulations Exam Module and the ABC/WPI Standardized Exams) to eligible Tribal utilities personnel seeking either Level 2 or Level 3 Water Treatment Operator Certification. Participants must have prior written approval from ITCA to be admitted into the examination sessions. Approval is based upon submittal of a completed ITCA *Application for New (Drinking Water) Certification* by close of business on **Tuesday, June 23, 2026**. Please refer to the ITCA Application Booklet for complete certification eligibility criteria and the application, which is available on the ITCA website or by directly contacting the ITCA Tribal Water Systems Department. You are highly encouraged to submit a complete application as soon as possible.

Important Notice: ITCA drinking water operator certification requires two exams—the FedReg Exam Module AND the Standardized Exam. The FedReg exam has been uniquely developed to utilize an “open book” format. ITCA will make available to each student an electronic tablet containing the federal regulations reference documents pre-loaded for examinees to look up as they are taking the Federal Regulations exam. This course provides students with practice in using these tablets.

Students intending to take the certification exams are encouraged to study the following need-to-know criteria, which include lists of recommended study references.

- The Need-to-Know Criteria for the Federal Regulations Exam Module for Drinking Water Treatment Operator Certification can be found on the ITCA website at: <http://www.itcaonline.com/tws>.
- The ABC/WPI Need-to-Know Criteria for either Class 2 and Class 3 Water Treatment Operator can be found on the WPI website at: <http://www.gowpi.org>.

LODGING:

You are responsible for making your own travel and lodging arrangements. For your convenience, a few hotels within the area are listed below. This is a non-inclusive, non-endorsement listing.

- Billings Hotel and Convention Center, 1223 Mallowney Ln, Billings, MT 59101, phone: (406) 248-7151.
- Howard Johnson by Wyndham Billings, 1345 Mallowney Ln, Billings, MT, 59101, phone: (406) 252-2584.
- La Quinta Inn & Suites by Wyndham Billings, 5720 S Frontage Rd, Billings, MT 59101, phone: (406) 252-1188.

TRAVEL EXPENSE REIMBURSEMENT:

Limited travel expense reimbursement funding is available for individuals who are working on Tribal lands and who attend the training event. Travel expense cost will be considered for reimbursement on a case-by-case basis and may be subject to funding restrictions. Travel expenses are reimbursed at the federal government GSA rates. The maximum per diem rate for zip code 59101 in the area of Billings, Montana for the time period of the in-person Part 2 of this event is \$110 for lodging and \$68 for meals and incidentals. According to federal guidelines, local residents traveling less than fifty miles one-way are eligible only for mileage reimbursement costs for use of privately-owned automobiles at the rate of \$0.70 per mile.

To request a travel expense reimbursement, please submit an *ITCA Travel Expense Reimbursement Claim Form* within fifteen (15) days following the training event. This form is available upon request. The travel expense claim form must include the signature of the attendee's supervisor. ITCA will verify an applicant's eligibility based on event attendance records maintained by ITCA.

A registrant that has received seat confirmation from ITCA may request written verification of ITCA reimbursement funds prior to travel. To do so, please submit a completed *Preliminary Application for Travel Reimbursement Stipend Form* to ITCA before your travel to the event. This form is available upon request. The form must include the signature of the confirmed registrant's supervisor. Preliminary applications received prior to the start of the in-person Part 2 of the course will be considered on a first-come first-served basis and will be subject to funding availability. Preliminary applications that are approved by ITCA will receive written notice stating the level of funding available for their travel reimbursement.

PUBLIC HEALTH CONSIDERATIONS:

Protection of public health is a top priority and ITCA intends for the in-person Part 2 of this event to align with federal and local guidelines and recommendations. This training event is available for personnel working on Tribal lands located throughout the country. Therefore, some of the attendees, the instructor / speakers, and facilitators will travel from various other locations to attend the in-person Part 2 of the event, which will take place indoors within meeting rooms. Attendees will be encouraged to sit in an every-other seat pattern for social distancing and for exam proctoring best practices. Individuals are free to choose whether to wear a facemask, including during the exam sessions.

Please Note: Photographs taken by ITCA staff at training/meeting events may be used in ITCA publications including, but not limited to, ITCA's website, publications and social media. If you do not consent to have your photograph published, please notify ITCA staff at the training/meeting event.

For additional information, please contact the ITCA Tribal Water Systems Department at (602) 258-4822.
