THE TRAINING COURSE:

The Inter Tribal Council of Arizona, Inc. (ITCA) is pleased to offer the **Wastewater Collection - Level 1** training course. The course offers over 48 hours of training and is designed to enhance the skills and knowledge of personnel of Tribal wastewater utilities. Subjects covered in this training course will include: an overview of wastewater collection systems, sewer system inspection and testing, lift stations, pipeline cleaning and maintenance, wastewater collection mathematics, and worker safety. This course is intense and requires participants to study outside the classroom. Training reference materials will be mailed to registrants that are accepted into this course.

ITCA does NOT “teach to the certification exams.” Students intending to take the operator certification exam during this training course are encouraged to study the need-to-know criteria and recommended study guide references associated with the certification exam. The Wastewater Collection-Level 1 operator certification exam will be offered for free during the second part of this training course. Attendees that are only interested in the training may choose not to take the certification exam.

INSTRUCTOR:

ITCA has contracted with subject-matter expert Michael Alvidrez, of Alvidrez Water Operations, Inc., to instruct this training course. Mr. Alvidrez has extensive experience in the operation and maintenance of wastewater collection systems in Indian Country.

COST:

Personnel of Tribal wastewater utilities may attend this training course for **free**.

LOCATION:

Part 2 of the training course will be hosted by the Columbia River Inter-Tribal Fish Commission, and will be located at the Celilo Conference Room which is located at 700 NE Multnomah Street, Suite 1200 Portland, OR 97232. The contact phone number for the venue is (503) 238-0667.

Confirmed registrants that are interested in only earning training contact hours may attend as many of the class sessions as needed.

REGISTRATION: Course Registration Deadline is September 21, 2026

To register for this training course, click on this event's active link on the ITCA National Tribal Water System (TWS) Program webpage (<http://www.itcaonline.com/tws>) to visit the online registration platform or manually complete and return the attached registration form. Registration for this event is scheduled to close at the end of the day on September 21, 2026. Registration is subject to close before this deadline if all class seats are reserved. Registrants that are accepted into the training course will receive written confirmation of a reserved seat. Please Note: a reserved seat does not apply to the exam sessions. Separate written approval is required to be admitted into the certification exam sessions (see Exam & Certification section below).

ITCA PROGRAM OBJECTIVE:

The National Tribal Water and Wastewater Operator Certification Program at ITCA serves to meet the needs of system operators working on Tribal lands and to provide a jurisdictionally correct alternative to state certification programs. The ITCA is a U.S. EPA-approved provider of certification services under the U.S. EPA Tribal Drinking Water Operator Certification Program Guidelines and makes its services available to all Tribal water and wastewater utilities personnel working in Indian Country. ITCA-issued certification in drinking water or wastewater is deemed equivalent and accepted through reciprocity (exam waiver) by numerous states. Tribal operator certification is an additional way by which Tribal governments can exercise their sovereignty and promote their self-determination goals.

EXAMINATION & CERTIFICATION: Exam Application Deadline is October 8, 2026

Wastewater utilities personnel operating systems located on federal trust Tribal lands (Indian reservations) may apply for ITCA operator certification and take the Wastewater Collection-Level 1 operator certification exam for free. ITCA staff will be available during the in-person Part 2 of the training event to proctor paper-booklet certification exams to eligible Tribal utilities personnel seeking Wastewater Collection - Level 1 Operator Certification. Participants must have prior written approval from ITCA to be admitted into the examination session. Approval is based upon submittal of a completed ITCA *Application for New (Wastewater) Certification* by close of business on **Thursday, October 8**. Please refer to the ITCA Application Booklet for complete certification eligibility criteria and the application, which is available on the ITCA website or by directly contacting the ITCA Tribal Water Systems Program. You are highly encouraged to submit an application as soon as possible.

Students intending to take the certification exam are encouraged to study the following need-to-know criteria, which include lists of recommended study references.

- The ABC/WPI Need-to-Know Criteria for Wastewater Collection Operator Class I can be found on the WPI website at: <http://www.gowpi.org>.

LODGING:

You are responsible for making your own travel and lodging arrangements. For your convenience, a few hotels within the area are listed below. This is a non-inclusive, non-endorsement listing.

- DoubleTree by Hilton Hotel Portland – 1000 NE Multnomah St., Portland, OR, 97232, (503) 281-6111
- Hotel Eastlund - 1021 NE Grand Ave, Portland, OR 97232, (503) 235-2100

TRAVEL EXPENSE REIMBURSEMENT STIPENDS:

Limited travel expense reimbursement stipends (partial reimbursement) may be available for individuals who are working on Tribal lands and who attend the entirety of Part 2 of the training course. Travel expense cost will be considered for reimbursement on a case-by-case basis and may be subject to funding restrictions. Travel expenses are reimbursed at the federal government GSA rates. The maximum per diem rate for Portland, Oregon for the time period of this event is \$155 for lodging and \$86 for meals and incidentals. According to federal guidelines, local residents traveling less than fifty miles one-way are eligible only for mileage reimbursement costs for use of privately-owned automobiles at the rate of \$0.76 per mile.

To request a travel expense reimbursement, please submit an ***ITCA Travel Expense Reimbursement Claim Form*** within fifteen (15) days following the training event. This form is available upon request. The travel expense claim form must include the signature of the attendee's supervisor. ITCA will verify an applicant's eligibility based on event attendance records maintained by ITCA.

A registrant that has received seat confirmation from ITCA may request written verification of ITCA reimbursement funds prior to travel. To do so, please submit a completed *Preliminary Application for Travel Reimbursement Stipend Form* to ITCA before your travel to the event. The form must include the signature of the confirmed registrant's supervisor. This form is available upon request. Preliminary applications received five business days prior to the start of the in-person Part 2 of the course will be considered on a first-come first-served basis and will be subject to funding availability. Preliminary applications that are approved by ITCA will receive written notice stating the level of funding available for their travel reimbursement.

Please Note: Photographs taken by ITCA staff at training/meeting events may be used in ITCA publications including, but not limited to, ITCA's website, publications and social media. If you do not consent to have your photograph published, please notify ITCA staff at the training/meeting event.
